As you walk through the tall grass, the Savanna seems flat and empty. But it is full of life, from a tortoise munching on some green leaves to a lion prowling for its next feast. Day and night on the savanna, the hunt is on to find food and to avoid becoming someone else's next meal. All living things are connected to one another in a food chain, from animal to animal, animal to plant, plant to insect, and insect to animal.
