AGENCY COMMENTS AND OIG EVALUATION In a memorandum dated September 12, 1997, the Acting Assistant Administrator for Administration and Resources Management ( OARM ) responded to our draft report. The Acting Assistant Administrator agreed with most of the findings and recommendations presented in the report. However, the response did present disagreements with certain audit conclusions and recommendations. Where appropriate, changes were made in the final report to address OARMs concerns. OARMs comments were incorporated into appropriate sections of the final report along with our evaluation of these comments.
