Introduction to Health Science Technology (Hardback)

By Louise Simmers

Cengage Learning, Inc, United States, 2003. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Based on Delmar s best-selling book Diversified Health Occupations, 5E by Louise Simmers, Introduction to Health Science Technology builds on this solid foundation by adding computer training, leadership and team building skills, and in-depth medical math. Introduction to Health Science Technology covers the core information needed to pursue a career in health care from an introduction of the health care industry and the basics of a health care system to overview of health care careers and legal and ethical responsibilities of health care workers to medical terminology and basic anatomy and physiology. The workbook offers exercises and evaluation sheets that correlate with the text.

Reviews

Merely no terms to explain. it was actually writtern quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.
 -- **Cletus Quigley**

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
