Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Description of Book My Little Inspirational Book is a compilation of poems and a short story I included because of my intense feelings on the subject matter. Most of the poems were inspired by memories from my childhood. The ideas for the book came out of a hidden place that has been with me for years. But, I only discovered it after the passing of my mother and praying to the Lord for guidance and purpose in my life. The object of the book is a look back in time when life was simpler and more manageable. There are writings in the book that may bring out a little laughter and there are some that will be thought provoking. I created the book size to make it easy to carry. It can be placed in a purse, a pocket or a folder. So it would be accessible to take out and read any time. This book is the winter volume and there are plans to bring out one book for each season.
