Reviews

Thorough guide! Its such a very good go through. It is really simplified but surprises in the 50 % from the ebook. You will like how the blogger write this ebook.
(Mr. Brandt Kihn)

NONE THE NUMBER: A HUEYS BOOK

Philomel Books, United States, 2015. Board book. Book Condition: New. Oliver Jeffers (illustrator). 150 x 150 mm. Language: English . Brand New Book. Count on None the Number and the #1 New York Times bestselling artist of THE DAY THE CRAYONS QUIT to guide young readers from 0 - 10 and back again! Is none a number? you might ask. I m glad you did. The answer is Yes! For example, how many lumps of cheese do you see next to you? The answer, depending on where you are, is likely none. Counting withthe reader all the way up to ten, the Hueys explain numbers as only they can. The number 4 is the number of tantrums thrown by Kevin every day. 7 is the number of oranges the Hueys have balanced on things. And 9 is the number of seagulls who attacked Frank s French fries. Together they make quite a spectacle. But when you take away all of these fun illustrations in the book? You re left with none! This funny and accessible counting book from #1 New York Times bestseller Oliver Jeffersgives the Hueys one more reason to be every young child s best friends. Praise for The Hueys In: None the Number Delightfully droll and enlightening. The illustrations. are deceptively simple and ridiculously funny. Jeffers s persuasive lesson will have readers counting up to 10 using 11 numbers. School Library Journal.
