*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Leonaur Ltd, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A two volume masterpiece on ancient warfare Little needs to be said here about the fascinating era of the Roman Empire of the first century B. C., or about one of the most outstanding military commanders in history, Gaius Julius Caesar. The military history of the period has always had its avid students and enthusiasts. It also has its notable historians and foremost among these was former soldier, Theodore Ayrault Dodge who was probably the first military historian to walk upon the ground on which all of the events about which he wrote in this classic work took place. Dodge s grasp of topography and its bearing on tactical issues makes this work indispensable. The Leonaur editors highly regard Dodge s works on the great captains of warfare through the ages and our edition of Warfare in the Age of Napoleon is already available. Warfare in the Age of Gaius Julius Caesar is our second offering in the series and it follows the model already established by its predecessor. Based on Dodge s academically groundbreaking work, Caesar, this unique two volume edition, like all of the author s great captains series, benefits from numerous diagrams and maps that explain the campaigns, battles, marches, weapons, equipment, etc., in significant detail. The Leonaur editions have been substantially represented so that all the images-often small in the original editions-have been enlarged to the fullest degree to aid understanding. Volume one outlines the background of Rome at war and the significant contributions of its most outstanding generals up to the time of Caesar. It concludes in 50 B. C. Chapters on the formation of the Roman Army, its weapons and...
