This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

SERVANTS OF THE GUNS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Servants of the Guns As the long troop train rumbled slowly over the water-logged wastes of Flanders, I sat in the corner of a carriage which was littered with all the debris of a twenty-four hour journey and watched the fiery winter sun set gorgeously. It was Christmas evening. Inevitably my mind went back to that other journey of sixteen months ago when we set forth so proudly, so exultantly to face the test of war. But how different, how utterly different is everything now! Last time, with the sun shining brilliantly from a cloudless sky and the French sentries along the line waving enthusiastically, we passed cheerfully through the pleasant land of France towards our destination on the frontier.
