O'Reilly Media , Shroff Publishers & Distributors Pvt. Ltd., Mumbai, India, 2013. Soft cover. Book Condition: New. International Edition. Want to simplify web development This hands-on book shows you how to write frontend and backend code simultaneously, using the Opa framework. Opa provides a complete stack for web application development, including a web server, database engine, distribution libraries, and a programming language that compiles to JavaScript. You'll learn step-by-step how to use Opa by building two projects through the course of the book: a wiki application similar to Wikipedia, and a Twitter-like micro-blogging platform. Discover how easy it is to use Opa to develop applications with real-time updates, database interactions, and web service design. Page Extent: 184. International Edition.
