*Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.*

The first day of kindergarten is finally here, and Henry can't wait to paint pictures, sing songs, and practice counting. When he gets to school, though, he's not so sure he's ready for kindergarten. But before long Henry discovers that the only thing he's not ready for is how much fun he's going to have at school! This gently humorous, encouraging story will give children about to enter kindergarten an extra boost of confidence. Perfect for parents to share with their children, and the endearing Henry will offer reassurance to even the most hesitant prekindergartners. -Booklist.
