AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Anyone can admire the first period of Tatiyana s life, from the time she was three year old, when was given by her mother to grand parents, to the moment she was able to work, in the beginning as a sanitary in a Medical Clinic, and further to work in the most hard conditions, at Nova Zemlya, close to the North Pole of the Earth, at the Russian Nuclear Facilities. Her love relations were a disaster, and all have finished in a tragic way. Her bad life experience, along with the fundamental changes in formerly Soviet Union by switching the Country from Communism to a Market Society determined Tatiyana to see as her purpose of life in accumulating as much money as she could. Finally, she met a formerly friend, citizen of USA, she got married on him, and she moved to America leaving her last co-partner for 10 years, without any regrets.
