GRIN Publishing Sep 2013, 2013. Taschenbuch. Condition: Neu. Neuware - Seminar paper from the year 2010 in the subject American Studies - Culture and Applied Geography, grade: 2,0, University of Paderborn (Institut für Anglistik/Amerikanistik), course: Pro-Seminar 'The American Frontier', language: English, abstract: In this term paper I'm going to answer the question if the Western Myth and the idea of an American Frontier are still current topics in modern day America. The glorified myth of a frontier moving faster and faster into the unknown is deeply rooted in the heads of the American people, since the first settlers moved westwards, over hundred-fifty years ago. At the end of this term paper I hope to be able to point out, in which parts of everyday life in modern America references to the...
