JOHN HUGHES AND EIGHTIES CINEMA: TEENAGE HOPES AND AMERICAN DREAMS (PAPERBACK)

Crescent Moon Publishing, United Kingdom, 2013. Paperback. Condition: New. 3rd edition. Language: English . Brand New Book ***** Print on Demand *****.JOHN HUGHES AND EIGHTIES CINEMA John Hughes is the acclaimed writer and director of Ferris Bueller s Day Off, The Breakfast Club, Weird Science, Pretty In Pink and many other classic movies of the 1980s. This book is the first full-length analysis of all of John Hughes s films throughout the 1980s; not only the features that he directed, but also those for which he provided the screenplay. By analysing these pictures and discussing their social and cultural significance in the wider context of the decade, Hughes s importance as a filmmaker will be considered, and his prominent contribution to cinema assessed. The book concludes with a detailed analysis of Ferris Bueller s Day Off, a film which is considered to be among Hughes s most critically successful works and also one of his most structurally refined. The new edition has been updated and revised in the wake of John Hughes death in 2009. Fully illustrated. With bibliography, filmography and notes. 376 pages. ISBN 9781861714367. I am of course speaking of none other than the late great John Hughes. This is a great book for getting into the details of how a master of his art came about and created such cinematic gems. Hughes will be sorely missed which is why books like this keep...
