Book Three of the Dreamwalker Saga Lexa has spent the past five years training the princess of Teltania in dreamwalking, but with Taryns eighteenth birthday approaching, the girl has increasing royal duties and Lexa is getting ready to retire yet again. This time shes looking forward to settling down and sailing with Sir Neil Duram--until his ship barely survives a raider attack. The raiders have been hounding Teltanias coast and their victims are falling into comas. With Neils crew at risk, Lexa sets out to find a cure. But things arent what they seem. She discovers that the comatose have been snatched from their dreams and stolen into the dreamscape. The scattered cases soon become a potential plague, and Lexa has to find the connection between the waking world raiders and the dream snatchers. Is there a third dreamwalker out there, or something much more sinister Lexas desperate search for answers will drive her to the edge in order to save everything she cares about. This item ships from La Vergne, TN. Paperback.

### Reviews

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
