## BEYOND NORMAL, TALKING ABOUT THE PARANORMAL (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

This book is copies of my columns I have written for Paranormal Underground magazine and come in two styles. The first is my slant on various topics with the paranormal world, anything from Orbs through to Para- Bullying, as well as some nights I have done at many of the most haunted locations around me in Northumberland, Chillingham Castle in particular which is reputed to be the most haunted castle in England. You will also find chats I have had with many of the well-known people from the world of paranormal TV shows, including with Robb Demarest on how Haunting Australia came about as well as the stresses and strains of life on the road filming, including how each team member handled them. You will also find after each chapter a section called ParaChat, this is a set of eight non paranormal questions put to some of the most well-known people in the world of ghost hunting and mediumship. They include Derek Acorah, Colin Fry, Allen Tiller from Hauntings Australia, Alison Wynne Ryder and Jackie Dennison from The Rescue Mediums plus many, many more. Some you will have heard of and some you may not have but they all give an interesting peek into the personalities of those involved in this world.
