

## Memos to the President: A Guide Through Macroeconomics for the Busy Policymaker

By Charles L. Schultze

BROOKINGS INSTITUTION, United States, 1993. Paperback. Book Condition: New. Revised ed.. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When policymakers are in need of economic advice, professional economists are never far away. Policymakers, journalists, and citizens all rely on experts to explain various economic developments and policy proposals. While it is fortunate that experts are close at hand, those concerned with choosing or evaluating economic policies should themselves have an understanding of how the economy works. Unfortunately, many policymakers and interested citizens currently lack such knowledge; and they need to know at the least the basics of macroeconomics to make informed decisions on their own. In this insightful book, Charles L. Schultze employs an imaginative format for explaining to busy policymakers and citizens how the economy works and what issues are likely to affect macroeconomic policy. He imagines that the next president has promised to devote one hour a week to learning about key economic principles and has asked the chairman of the Council of Economic Advisers for instruction. The book is written as a series of memos to the president on the principles and policy issues that should be understood before making...
