The Creamery Industry, Vol. 2 (Classic Reprint)

By John A Myers

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Creamery Industry, Vol. 2 The conditions under which we are attempting to develop the creamery industry in this State, are different from those existing in the sections of the country, in which the bulk of the published work upon this branch of industry has been done. Our experience leads us to disagree in several particulars with accepted ideas promulgated by competent authorities upon the best methods of handling milk and cream for the manufacture of butter. We are quite clear that some of the principles promulgated by our friends further north, and generally accepted as true, are not the most applicable in this latitude and farther south. We have not concerned ourselves with the manufacture of cheese, with the concentration and canning of milk, nor with the utilization of any of the by-products. Our skim-milk goes for feed, and our cream is either disposed of as cream, or as butter. The energies of the Station in this investigation have been concentrated upon the problems of handling milk and cream, so as to make the...
