Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Re-Issue Policy Model Publishing firms of books and records follow a well-known policy of reissuing their products in a different format some time after the initial introduction. Paperbacks and budget-label discs are two typical formats. As they usually are accompanied by some price cut, two questions arise: - When should the product be reissued? - At what price should the product be marketed again? The following paper considers these questions from the viewpoint of quantitative analysis. A simple model is presented, deriving from a case study in the recording industry. Possibilities of implementation are discussed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
