I am not sure whether it was the same day, but recollections of youthful persistence would incline me to believe it was. At any rate it was soon, and the whole of the trip stands out in my memory among other fishing experiences like the heartwood core of a dead monarch of the forest from which have fallen away all the increments of later years. What a tramp through the autumn woods, through the red, the brown, the rustling leaves! What a joy to swish, swish, swish along! It was not far to Snyder s Bayou, - the by-o as all called it, - but I can remember seeing along the path the full light of the sun upon some smooth gray beeches, trees which I have ever loved to see and to touch. On the banks of the by-o grandpa showed me a large grape-vine hanging from one of the limbs of a great tree spreading out over the water. This had been cut off near the ground and the boys of the neighborhood were accustomed to use it when swimming, as a swing which carried them, after a run down the sloping bank, out where a thrilling plunge dropped them in the middle of the by-o.
