A HUNDRED WAYS TO MAKE A SUCCESSFUL BUSINESS ON THE INTERNET: (BUSINESS DEVELOPMENT ON THE INTERNET)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It's generally thought when referring to a start-up, that we're talking about a technological enterprise dreamed up by an entrepreneur or group of entrepreneurs who know that their project could make a very real impact on the real world. The start-up can also be a new company that has developed a business plan, raised the funding required for the venture and is now ready to implement the business model describes in the business plan and for which the money was raised. It's also assumed that in order to implement this type of project, the entrepreneurs must be aware of the inner working of technology, finance, processes needed to implement their business plan as well as all other processes required to make the project a reality. And if this wasn't enough, they must also have an academic education in Business Management and/or have to recruit a person with these abilities in order to guarantee success. Given all this, then their success is guaranteed - or is it? My position on this is totally different. I am convinced that the potential to succeed can be found in all of us, providing we are able to understand the realities objectively, unbiased by our personal opinions. This book will present different business models taken from cyber space but whose origins are in traditional commercial (low-tech) ventures as well as advanced technological (Hi-Tech) ventures whose success is dependent on the number of parameters that must be examined subjectively and in real time. Over the years, I have followed many technological and internet ventures all of which, theoretically, had the characteristics and parameters that world experts in...
