A S to imitations that are solely pro, duced by narration and verse, it is evident that even there, as in tragedy, the fables should have a dramatic form, and relate to one entire and complete action, which has a beginning, a middle, and an end; and that, like one perfect animal, it should produce its peculiar delight, and not follow the custom of history, tory, in which it is not necessary to confine the subject to one action, but to one period of time; and where every thing may be introduced that happened in that time, whether relating to one or more persons, or whatever casual connexion the events may have with each other. For as the sea-fight at Salamis, and the battle with the Carthagenians in Sicily, though they happened at the lame(i) time; by no means...
