## Torticollis: Differential Diagnosis, Assessment and Treatment, Surgical Management and Bracing

By Karen Karmel-Ross

Taylor Francis Inc, United States, 1998. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Torticollis: Differential Diagnosis, Assessment and Treatment, Surgical Management and Bracing fulfills a need, long overdue. To provide pediatric physicians, orthopedists, surgeons, physical therapists, occupational therapists, and family physicians with a systematic approach to the assessment and treatment of congenital muscular torticollis, this important guidebook gives you vital information on torticollis and its impact on the growth and development of children. Underscoring the importance of early intervention, Torticollis covers the differential diagnosis of this disorder, its conservative management, the advantages of a team approach to management, the selection of appropriate treatment techniques and pathways, and the relationship between torticollis posture and development of postural control and balance. From pages packed with useful information and amply illustrated, you will learn about the various causes of torticollis, the guidelines for assessment and timing of treatment, the main goals of treatment intervention, and when surgery is necessary. Torticollis discusses the fabrication and use of custom-made neck collars to help resolve lateral head tilt and postoperative splinting. Through the book's well-organized and clear discussions, you will also learn about: \* conservative management outcome \*...

### Reviews

*This created publication is wonderful. This can be for those who statte that there had not been a worth looking at. Your lifestyle period will probably be transform when you comprehensive looking at this book.*

-- **Chelsey Nicolas**

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Mrs. Josiane Collins**
