Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.

(Angus Hickie)

KNIT ONE BELOW: ONE STITCH, MANY FABRICS

XRX Books,US. Paperback. Book Condition: new. BRAND NEW, Knit One Below: One Stitch, Many Fabrics, Elise Duvekot, Alexis Xenakis, The bright idea behind this guide is to build an entire collection around one simple stitch that creates many intriguing effects. Shown in knitting instructions as 'k1b' (knit 1 below), the technique involves knitting into the stitch one row below the stitch on the needle with either a knit or a purl stitch. The result is an easy-to-knit fabric with wonderful drape and flexibility that looks equally good on both sides. The colour effects possible are also impressive: by alternating two or more colours, weights, or fibres, flattering vertical columns appear on one side of the fabric and a mottled pattern shows on the other. Making the most of this double-sided characteristic, the projects include afghans, scarves, bags, jackets with turned-back lapels, and hats with turned-up brims, all constructed from simple shapes and requiring minimal finishing. Several designs go beyond the basic stitch by adding cables, felting, and intarsia designs.
