## DEBATING THE PRESIDENCY: CONFLICTING PERSPECTIVES ON THE AMERICAN EXECUTIVE (3RD REVISED EDITION)

[DOWNLOAD](#)

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Debating the Presidency: Conflicting Perspectives on the American Executive (3rd Revised edition), Richard J. Ellis, Michael Nelson, Each essay--written in the form of a debate resolution-- offers a compelling yet concise view on the American executive. In the 5 pro/con pairs that are new to this edition, contributors debate the presidential power to persuade, whether Congress should have to vote up or down on legislation proposed by the president, if the unitary executive is a myth, if presidents have the authority to appoint "czars" without Congressional consent, and if the people should have the power to recall an unethical, corrupt, or ineffectual president. Ellis and Nelson introduce each pair of essays, giving students context and preparing them to read each argument critically, so they can decide for themselves which side of the debate they find most persuasive.
