SHE (CLASSIC STORIES)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A young Cambridge University professor, Horace Holly, is visited by a colleague, Vincey, who reveals that he will soon die. Vincey proceeds to tell Holly a fantastical tale of his family heritage. He charges Holly with the task of raising his young son, Leo (whom he has never seen) and gives Holly a locked iron box, with instructions that it is not to be opened until Leo turns 25. Holly agrees, and indeed Vincey is found dead the next day. Holly raises the boy as his own; when the box is opened on Leo's 25th birthday they discover the ancient and mysterious Sherd of Amenartas, which seems to corroborate Leo's father's story. Holly, Leo and their servant, Job, follow instructions on the Sherd and travel to eastern Africa but are shipwrecked. They alone survive, together with their Arab captain, Mahomed; after a perilous journey into an uncharted region of the African interior, they are captured by the savage Amahagger people. The adventurers learn that the natives are ruled by a fearsome white queen, who is worshiped as Hiya or She-who-must-be-obeyed. The Amahagger are curious about the white-skinned interlopers, having been warned of their coming by the mysterious queen. Billali, the chief elder of one of the Amahagger tribes, takes charge of the three men, introducing them to the ways of his people. One of the Amahagger maidens, Ustane, takes a liking to Leo and by kissing him and embracing him publicly, weds him according to Amahagger customs. Leo, likewise, grows very fond of her. Billali tells Holly that he needs to go and report the white men's arrival to She. In his absence, some...
