MENTAL MATHS FIVE A DAY (PAPERBACK)

Lorraine Cooper, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. 5 minutes a day, every day. Little and often is the painless way to acquire mental arithmetic skills. Success in mathematics depends on a solid foundation of mental arithmetic skills. Quick calculation involving addition, subtraction, multiplication and division are the essential building blocks. This book is designed as a tool for parents to support their child through the arduous process of learning their number bonds and times tables between the ages of 5-11 years. It provides year by year exercises that can be used in infinite combinations to practice for 5 minutes a day, every day. More than that, it gives parents an accurate picture of their child s progress in relation to their age, which can be difficult to judge and usually relies on feedback from teachers once or twice a year. No need to buy new books as your child gets older, because there are 7 years worth of exercises contained in this comprehensive volume.
