WHERE WORLDS COLLIDE: A DARK SCIENCE FICTION ANTHOLOGY (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A truly thrilling anthology of some of Rob Shelsky's darkest, science-fiction stories, with a great novella, Bug-Eyed Monsters, included. This one is a classic space opera and has been favorably compared to none other than Ed Hamilton's best work. With BEMs (Bug-Eyed Monsters), a bum and a babe, you will enter a fast-paced, action-packed story that will leave you absolutely breathless! But it doesn't end there. With a carefully selected series of stories that are darkly woven, along with thought-provoking tales, and even a couple humorous ones, just for fun, Where Worlds Collide is a marvelous compendium of tales of the future and the very weird. Whether you love post-apocalyptic plagues, aliens, bizarre creatures, lost star ships in space, worm holes to worlds in the throes of nuclear war, horribly destroyed civilizations, gory murder in deep space, or things Lovecraftian, you can bet that Where Worlds Collide, by renowned science fiction and horror author, Rob Shelsky, has it all. So take a trip where you can pick your world, where anything is possible, and a ride to Where Worlds Collide! Stories included in this anthology are: DreamTime, a harrowing tale of immortals versus mortals; Serpent Caravan, colonists struggling to survive on a world with dangerous aliens; Blue Flickers, people are changing, but nobody knows how or why; Bug-Eyed Monsters, an action-packed space opera; Blue Murder, a cozy sci-fi mystery; If Looks Could Kill, a dark tale of future Earth, This Narrow Isthmus, a luxury spaceship lost in space; Shiva, Mama Doc, And The Voodoo Computer, a tale of science and magic; Dystopia, a world where the super-state rules; Without Omens, a frightening answer to Fermi's Great Silence; Worm Sign,...
