Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It's been eleven years since 9/11, and we're still at war with Al Qaeda. The shock to the American psyche has not faded. Questions remain. Why did we go to war in the first place? What has this war cost us? When will it end? Why isn't the American government telling us the truth? Is it about oil or opium or something else? What was Osama bin Laden trying to accomplish? Why do young men join the jihad? Why do they believe that Americans are infidels who insult the Muslim community and their faith? Why can't we co-exist? Questions like these haunt author, Sara Enochs, who is a mother in Phoenix, Arizona. She has thought hard about finding a way to solve these issues. Why? When you become a mom, your eyes are opened to the injustice in the world, says Sara Enochs. We can do better than this. It's imperative that we find a solution to violence. It turns out that the code is actually very old, and everybody knows about it, including Ava, her main character. Yet, she doesn't understand it. She doesn't believe. The code is finally delivered in her third novel, states Sara Enochs. It has the power to break down walls, free hearts, mend countries, restore families. It can turn hatred into tenderness, and the power to destroy, into a passion to protect. It can keep kids off drugs. There's not another...
