Reviews

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Rites of Spring, Jessica Duchen, This isn't where we started out. This isn't what we wanted or intended. How did we come to this? Adam and Sasha appear to have it all: a pleasant home, demanding careers and three bright children. But underneath, the pressures of modern living are taking an unendurable toll. When Adam, under extreme strain, breaks a longstanding promise to his wife, their relationship begins to crumble. Liffy, their innocent, ballet-obsessed thirteen-year-old, is caught in the middle. Her parents are too occupied with their own troubles to notice that she is struggling. Adam battles with grief, while high-flying Sasha tries to juggle her work with caring for her small twin sons. As Liffy finds herself drifting away, the Levys spiral towards tragedy. Someone has to make a sacrifice, but the cost could be too much to bear.
