Legal Evolution: The Story of an Idea

By Peter Stein

Cambridge University Press. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.3in. x 5.4in. x 0.5in. Legal evolution is a way of explaining how the law changes. Basically it suggests that a society's law develops along predetermined lines parallel to those of its other institutions. The idea came to prominence in the mid-eighteenth century as a response to the difficulties experienced by theorists in the field of natural law when applying the notion of universal natural rights to different types of society. Professor Stein traces the beginning of the idea and considers the theories of its main exponents in relation to the prevailing legal thought of their times. He examines in particular the special place of Roman law in shaping ideas of legal development. Finally he considers the different types of opposition which Maines ideas encountered in the late nineteenth century and the attempts to retain the essentials of legal evolution in a modified form. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

-- **Mabelle Dach III**

It is straightforward in read through preferable to fully grasp. It is really simplistic but excitement in the 50 percent of the pdf. Your life span will be enhance once you comprehensive looking at this pdf.
