Samhain Publishing. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. Wanted: One wild man. Domesticated males need not apply. Cannon Pack, Book 2 Veterinarian Tala Wilde has always had a fascination for wolves and a secret longing for a wild man. Her fantasies are so powerful she finds herself howling at the moon and dancing in its light. Still, when she catches just such a man breaking into her clinic to free the canines, she wonders if finding the man of her dreams is a little too much reality for comfort. Is he half animal or just half crazy? Should she howl along with him? Or howl for help? Devlin Cannon never wanted a mate until he answers Tala's innocent call. Even when he wakes up trapped in one of her dog runs with a rump full of buckshot, he knows the shapely vet is destined to be his. Trouble is, not only is she not a shifter, she doesn't even know they exist. Luckily, the sexual sparks they strike together soon lure her into his arms and entice her inner animal out to play. But before he can claim her for his own, they'll have to survive the hunters already hot on his trail, who are ready to skin them both alive. Warning: Definitely not for the tame at heart. Do you like your sex missionary style and predictable? Then don't read this book. However, if you like hot sex with bites and licks all over, release the animal within yourself and read on. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
