TH E following account of Lord Or Fords Collection of Pictures, is rather intended as a Catalogue than a Description of them. The mention of Cabinets in which they have formerly been, with the addition of the measures , will contribute to ascertain their originality, and be a kind of pedigree to them. In Italy, the native foil of almost all Vertu, descriptions of great Collections are much more common and much more ample. The Princes and Noblemen there, who lov'd and countenanc'd the Arts, were fond of letting the world know the Curiosities in their possession. There is scarce a large They have been newly measured, and are more correct than in the first: edition. 3 large Collection of Medals but is in print. Their Gems, their Statues, and Antiquities are all publish'd. But the most pompous works of this sort are...
